Chairman's Foreword

Fellow ralliers, Past Chairmen, Honorary Members and Members of the Midland Centre Caravan Club. I would like to thank you for your support at this year's Annual General Meeting at Dayton Manor Park. I am highly honoured and privileged to be your Chairman the 2022/23 season.

It is going to be a difficult job to follow in the footsteps of Mr Mike Downs, who, I am sure you will agree, has done an admirable job for the Centre in the past six years as your Chairman but Helen and I are looking forward to the challenges that shall surely come with this position.

I offer my thanks in advance to both your Senior Committee and your Junior Committee, headed by their new Lady Chairperson, Miss Lanis Downs, for all their hard work, which will arise in the forthcoming season.

Although our rally program has slightly reduced over the past few years, I hope we still have a varied and exciting to suit existing and new members. My thanks to all those members who have volunteered to run rallies as without you we would not be able to enjoy our hobby.

I hope that you, the members of the Midland Centre Caravan Club, new and old will support your Stewards by booking in for their rallies, but please remember to notify them if you cannot attend after booking. Remember if you book early you could win a cash prize from the monthly draw.

Both Helen and I have an open door policy, so if you wish to have a chat or just a cuppa (there may be a biscuit if we have been shopping) come along, you are all very welcome.

We hope you always have a safe tow.

Best Wishes,

Gordon and Helen Mitchell

Rally Secretary's Foreword

Well I've done it! I've taken on the role of rally secretary with Mike Downs to assist and guide me. Thanks Mike!

Hopefully now covid is past we can continue safely with the hobby we love.

I will try my best to find new sites and keep the ones we love to return to.

The centre will also have a new venue in 2024 for our Dinner Dance, so it may continue.

I thank all the ralliers/friends for stewarding our rallies and for your continuing support attending them.

Best Wishes

Diane Stokes

Rally Start Time

Rallies are governed by The Caravan & Motorhome Club rules and can only commence when the designated stewards are in attendance. A list of stewards has to be given to The Caravan & Motorhome Club each year in the form of the rally book details, to comply with insurance requirements.

Any member wishing to arrive at a rally before the official start time of 4pm must, in all cases, check with the stewards to ensure that the venue is open and that they are not turned away. In many cases stewards have to attend work prior to the rally and therefore must be given time to set up their rally and should not be pressurised. Their decision is binding. Your understanding and compliance is much appreciated.

Stewards are asked to indicate on the rally signing sheets any members who arrive on rallies earlier than the official/requested times. Sheets will be monitored by the treasurer.

Rally Deposit Refunds

If a member is unable to attend a rally where money has been paid in advance and would like a refund then they must contact the Hon. Secretary within 28 days of the rally.

PLEASE NOTE:

It is important that all rally stewards get in touch with land owners at least 4 weeks prior to the rally, to finalise details. We have had several instances over the past few years where rallies have not been in the landowner's diaries despite correct paperwork being held by the Centre. At the same time, please confirm the day/time that you as stewards would be allowed to arrive.

Best Weekend Rally

Following a vote at the AGM, the best weekend rally for 2021/22 was awarded to Matthew & Gaynor Hart with the assistance of Mike & Beth Downs for the rally at Statfold Barn Railway. Matthew, Gaynor, Mike and Beth win £50.00 to share. Thank you and well done.

New Sites

The following new sites have been booked for 2023. Please support them:

2nd - 16th September - Aberech Sands

This is a full facility site, situated on the coast in North Wales near to Pwllheli.

A message from the Statistics Officer

As Statistics Officer it will be my job to record rallies attended and to keep accurate records. This list will be used for the pensioners rebate and also to keep the Chairman informed of the member who completes the most rallies during the year January to December to whom a presentation will be made. If anyone is interested in how many rallies they have done with the Midland Centre I have records going back to 2006.

Pensioners Rebate

For those of you who don't know we refund 50p for each rally you pay a rally fee on. This is paid to the main member if they have reached state pension age (currently 66). This is doubled to £1.00 if you have stewarded a Midland Centre weekend or Bank Holiday

Midland Centre Website

Our Centre website is www.midlandcentre.co.uk and our Facebook Private Group is Midland Centre Caravan and Motorhome Club. (If you are a Centre member you will have to register with the Facebook Group before access is granted). Amendments / Notices / Rally updates will be put on the website and Facebook Group. All members are invited to access the website and Facebook Group to keep themselves updated on news and updates regarding the Centre. You can also book onto most weekend and holiday rallies via the website using the online booking facility.

If you are stewarding a rally and have updated programme details or local attraction information, please forward the details to the website officer (website@midlandcentre.co.uk).

Rules Governing Rallies

General

Weekend Rallies normally commence at 4.00 pm Friday. Bank Holidays or 5-day Rallies commence at the discretion of the Stewards. They will end at the discretion of the Steward and/or the Chairman, having regard to the time of year and weather conditions. If in doubt - ask.

Only when plainly stated in the details of the Rally may a member arrive before or stay on after the completion of a Rally. Early arrivals with the consent of the Stewards only. Non-compliance will be monitored.

All persons attending rallies and social events do so entirely at their own risk. No responsibility for persons or property is accepted by the organisers or The Caravan and Motorhome Club (CAMC).

Stewards may ask for proof of CAMC membership at any Rally.

The new sail flag which incorporates the Caravan Club flag and the Centre flag should be flown for the duration of the rally. If this is not available, the red Caravan Club flag should be flown for the duration of the rally. The yellow MCCC flag can also be flown but below the Caravan Club flag. The Centre flag cannot take precedence over the Caravan Club flag, except on commercial sites where the Caravan Club exemption certificate is not required.

In accordance with guidance from CAMC the rally book is now digital not printed. The rally book is available to download from the website.

If a Steward feels a member's behaviour or the behaviour of a member's children or pet is causing a nuisance, the Steward is permitted to ask a member to cease the behaviour or leave the site.

No Stewards to cancel a rally without a Committee decision.

Booking, payment and arrival

Prices in the Rally Book and Website are subject to change without notice.

Rally slips or online bookings must be received by the Steward of the rally not later than the Monday before the rally, otherwise you will not be notified if a rally has been cancelled or the location changed.

Holiday Rallies or Special Events generally use a separate paper booking form because a deposit is required, there may be specific site information that needs to be communicated to the Ralliers and payment arrangements are usually different (EG Site fees paid in advance).

Where rally fees are payable in advance, no refunds will be given if you cancel within 7 days prior to the rally and your place cannot be reallocated.

On arrival, you will pay rally fees, including VAT, (unless otherwise stated) to the Stewards. You will also be required to sign the rally sheet, when you pay. Additional payments may be required, including VAT, if a social or other entertainment's have been organised.

All cheques should be made payable to: The Midland Centre Caravan Club and not to *individuals*. Cheques will not be accepted for **weekend** rally payments. We have a card machine available for payment of weekend rally fees.

Yellow signs with MCCC on will be displayed as prominently as possible on the approaches to the site. Directions given should be used in conjunction with a larger scale map and the rally book. **DO NOT RELY SOLELY ON SAT NAVS.**

All members, upon arriving on site, should report to the appointed Steward before pitching their unit. Any visitors should also report to the Stewards on arrival.

One pitch only may be reserved for a friend, providing it is not required by another member. Extra pitches can be reserved at the discretion of the Stewards.

Safety on Site

All vehicles are restricted to WALKING PACE (Max 5mph) on site and learner/unlicensed drivers are not permitted.

Units, excluding guy ropes, must be 6 metres apart from adjacent units. This is to allow sufficient emergency access. Vehicles may be parked between units, provided that a 3 metre clear space is left within the 6 metre gap at all times.

Children's pup tents are classed as an integral part of a unit in the same way as an awning, when they are occupied by children and when no appliance with a naked flame is used in or close to them. This means that a child's pup tent is not required to comply with the 6 metre rule and can be pitched close to the parents' unit. Only one pup tent is permitted per caravan, to be situated to the rear of the caravan provided this is not a vehicle access route.

Bearing in mind the danger of FIRE, the Committee consider it necessary for every van to be equipped with an approved type of FIRE EXTINGUISHER and simple FIRST AID KIT. **ALL RALLIERS ARE REQUIRED TO PLACE A BUCKET OF WATER/FIRE EXTINGUISHER AT THE TOW BAR OF THEIR CARAVAN.**

Open fires are not permitted on the rally field. Sky lanterns or similar are also not permitted. The use of gas cylinders to supply a caravan via an external barbecue supply point is not permitted.

Adverse Weather

Avoid undue damage to the entrance and site by unnecessary use of vehicles in bad weather. When a YELLOW FLAG is flying ALL vehicle movement ON or OFF the field is forbidden unless permission is given by the Stewards. When a RED Flag is flying absolutely no vehicle movement is allowed.

Anyone requesting a tow on the rally field does so on the understanding that in all cases the owner/driver of the towing vehicle does not accept any responsibility whatsoever for any damage however caused to the stranded vehicle or its owners or occupiers. Responsibility for damage will in all cases rest with the owner/ driver of the stranded vehicle.

General Behaviour

The good name of the Club, Centre and Caravanning will be better enhanced by the standards we maintain. Site vans tidily around the perimeter or in lanes. All doors in each lane must be facing in the same direction and no awnings should face each other. Park your car on the blind side of the van and keep the area around your van clean and tidy. Pull forward a few yards on leaving and check to see you have left no litter behind.

Ralliers must ensure that they and their children do not cause damage to trees, fences, farm buildings, equipment, stock, cars and caravans, etc. Ralliers are responsible for the behaviour of their children and guests. Should damage be incurred then the **full cost** will be demanded from the parents or guardians. Please adhere to Out of Bound signs.

The riding of bicycles between the caravans and any sports or activities likely to cause a nuisance and or damage are NOT allowed. Ball games are permitted only with the agreement of the Stewards or Committee, on an open space well away from caravans.

Dogs and other pets must be kept under control at all times. No animal is allowed to be loose on the site and must always be on a lead not longer than three metres if outside a unit. Dogs are not allowed into organised social events or halls unless they are registered assistance dogs. Members must remove any droppings left by their pets.

Noise should be kept at a minimum from radios, televisions and other sources such as generators, and there should be no noise whatsoever between 11pm and 7am. The practice of flying flags and other items from poles or similar will only be permitted during daylight hours.

The use of generators will be restricted to 2 hours use between the hours of 10.00 am and 6.00 pm only, and not to be a nuisance to your neighbours. Stewards and or Committee excluded from above times where the use is for social purposes. Only fully silenced and smokeless units may be used.

The club considers the use of e-cigarettes the same as cigarettes and as such, all legal requirements should be adhered to in their use during a club event.

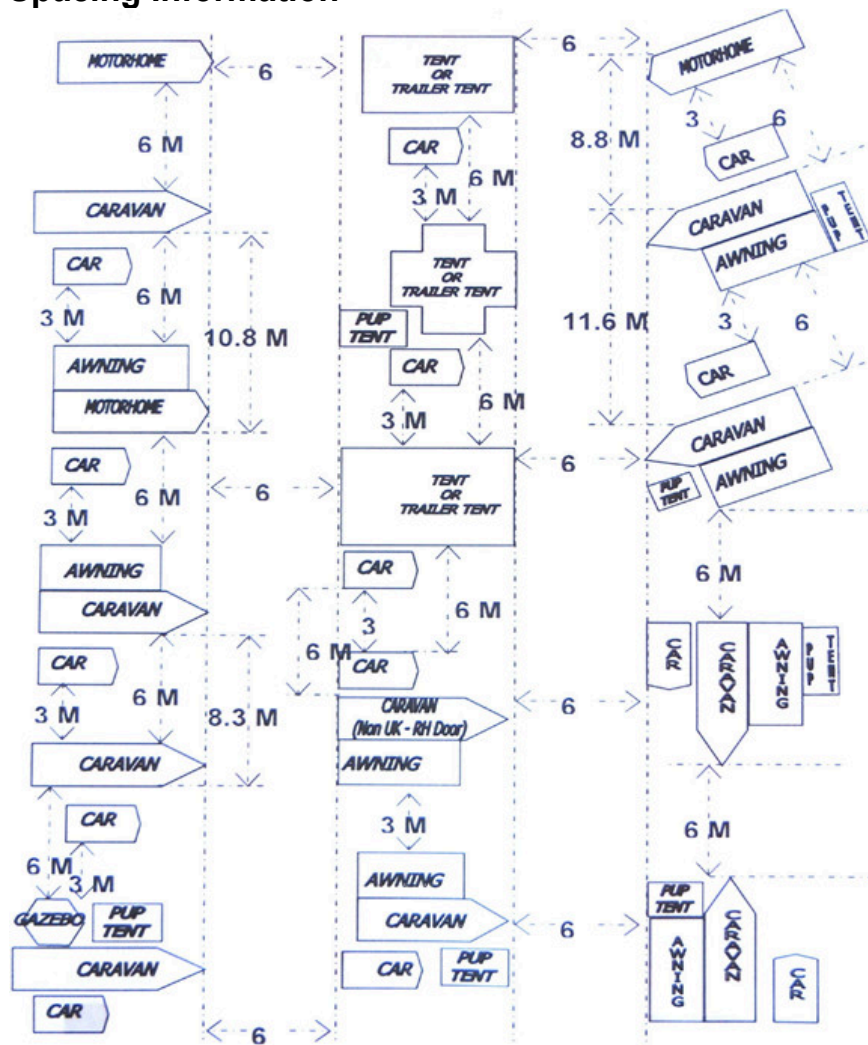

Public Health

The contents of chemical toilets must not be disposed of on the site except into the disposal point identified by the appointed Steward. Toilets or their tanks must not be rinsed or filled at the rally drinking water supply.

Members attending a rally must take their refuse home with them if receptacles are not provided.

All relevant Public Health regulations in place at the time of the rally must be adhered to.

Spacing Information

This diagram is reproduced from the Natural England Guide to 'Camping and Touring Caravan Exemption Certificates'.

Water Taps

Would members please remember that the water taps provided on the Rally fields are not for the use of washing toilets, only for filling drinking water containers. **WATER CONTAMINATION.** Members are advised to be aware of the dangers of drinking contaminated water. You are therefore advised to check on how the water is supplied, i.e. from a mains water supply, or from a private water supply, i.e. well, spring or stream etc. If mains water becomes contaminated the government and water authorities can act quickly to warn and prevent or remove harmful effects from the public supplies, but not in the case of water drawn from private supplies. Members are therefore recommended to bring to the boil water obtained from a private supply, before consuming or using in food preparation.

CONTROL MEASURES FOR AVOIDANCE OF ILL HEALTH DUE TO CONTACT WITH E-COLI 0157

Introduction

1. E. coli is a bacterium, many strains (or types) of which live harmlessly in the guts of humans and animals.
2. Strains such as E. coli 0157 produce toxins or poisons, which can cause illness in humans. E. coli is highly infectious and can present a serious health hazard.
3. Cattle, sheep, deer and goats excrete the bacteria.
4. E. coli 0157 can persist in the soil for up to 150 days and in cattle faeces for up to 90 days.

Infection

1. The risk of infection comes mainly from contact with animals or their faeces. E.g. when eating or drinking when camping or picnicking without washing their hands. Even tiny amounts of E coli 0157 can pose a severe risk, particularly for young and elderly people.
2. Another source of infection is drinking from streams that may have been contaminated with animal faeces without first treating the water. Food can also contain E coli 0157. E.g. raw mince, beef products and other meats. This will be included in the catering section.
3. It is highly unlikely that the water supply on farms etc can be contaminated.

Precautions

1. When planning to rally on farmland which has been used for grazing or stock holding of animals, request that:
 - **Farm animals are kept off the fields for three weeks prior to and during the event.**
 - **All visible dung/faeces are removed, preferably at the beginning of the three week period.**
 - **The grass is mown and kept short and clipping removed before the fields are used for recreation.**

NB: These are part of the advice given to farmers by the HSE.

1. Check if the water supply is provided from either a water company or a borehole. If it is from a borehole ask to see the result of the test or the local authority certificate declaring it safe to use.
2. Farmers have a duty to carry out a COSHH assessment re E-coli among other things. Why not ask for a copy.

Controlling the Risk:

- **Do not drink from rivers or streams.**
- **Ensure that animals have not been in contact with the water taps. E.g. taps for water troughs.**
- **Avoid contact with animals wherever possible.**
- **Avoid walking through areas contaminated with faeces or slurry liquid wherever possible.**
- **Keep out of areas not allocated to the rally.**

- **Wash hands thoroughly before eating, drinking or smoking etc.**
 - **Clean off clothing, footwear or any items carried, which may have been in contact with contaminated ground.**
1. Following these simple precautions will not only reduce the risk from E Coli but also of other diseases that can be transmitted to people from animals.
 2. Should the landowner refuse to clear animals from the field/site prior to the event, the rally organisers must take a view as to whether the Rally should proceed at that venue? If so all participants must be made aware of the need to comply with the simple measures listed under Controlling the Risk, above.
