Midland Centre 2025 Rally Handbook

Watch your Speed

Our Speed Limit

We enforce a 5 MPH Maximum Speed Limit on our Rallies.
Please be aware of children running between Caravans and Motorhomes.

Dogs on Rallies

Please keep your dog or pets on a lead less than 2m long at all times on our rallies. If tethered at your unit, please ensure the tether point is central to your unit with a lead less than 2m. The tether must **not** be at the front of your unit.

Dogs are **not** allowed into organised social events or halls unless they are register assistance dogs.

Members must remove any droppings left by their pets.

Adverse Weather

To avoid undue damage to the site and its entrance in bad weather, please observe if a band is on the sail flag near the stewards unit.

When a **Yellow Band** will is displayed, **all vehicle movement is forbidden** unless permission is given by the stewards.

When a **Red Band** is displayed, **all vehicle movement is forbidden** except emergency service vehicles.

Chair's Foreword

Fellow Ralliers, Past Chairmen, Honorary Members and Members of the Midland Centre Caravan Club. I would like to thank you for your support at this year's Annual General Meeting at Astley Village Hall. I am highly honoured and privileged to be your Chair the 2024/25 season.

Thank you to our Rally Secretary Diane Stokes for all her hard work in organising the 2024 rally program which has a variety of rallies and hopefully something to suit everyone. We have tried to find more sites that provide hardstanding pitches during the winter months, so we can continue to have weekends away when the weather would otherwise cause the location to be cancelled.

Thanks must also go to all the landowners for allowing us to use their land and, of course, those members who are giving up their free time to run rallies so that we can enjoy our hobby.

I offer my thanks in advance to your Senior Committee for all their hard work, which will arise in the forthcoming season. I hope that you, the members of the Midland Centre Caravan Club, new and old will support your Stewards by booking in for their rallies, but please remember to notify them if you cannot attend after booking. Remember if you book early, you could win a cash prize from the monthly draw.

Helen and I look forward to meeting you on the rally field. Feel free to pop round for a cuppa and a chat.

We hope you always have a safe tow.

Best Wishes,

Gordon and Helen Mitchell

Rally Secretary's Foreword

As I begin my third year in this role, I want to take a moment to reflect on how much I've enjoyed it. From discovering fantastic new venues to building wonderful relationships with site owners and members, it's been such a rewarding experience.

This year, I'm thrilled to have Roo joining me as an assistant. I know we'll work brilliantly together, and I truly value her friendship and support. She's going to be such an asset in this role, and I can't wait to see what we can accomplish as a team.

Last year's dinner dance was a huge success at the Chapel Lane CAMC site, so we're excited to do it all over again this year! Unfortunately, the Bagwell Farm holiday rally couldn't go ahead due to some challenges with consent forms. However, we quickly found an alternative at Aberech Sands, which turned out to be a fantastic venue. The holiday rally was a great success, and I'm so grateful to everyone who supported it. Trying a school holiday rally again was warmly welcomed by our members, and I'm thrilled it worked out so well.

This year, we're heading to a brand-new venue: Blue Anchor near Minehead. I've already posted the details on Facebook, and the rally is proving very popular with lots of bookings coming in.

We faced a number of cancellations last year due to the relentless wet weather. To avoid that as much as possible this time, I've secured a few more hard-standing sites with electric hook-ups for the colder, muddier months—time to treat ourselves a little, right?

Lastly, I want to extend a heartfelt thank you to everyone who gives up their time to steward these rallies and to all the members who come out to support us. Your enthusiasm and dedication make it all worthwhile.

I'm really looking forward to another fantastic year filled with great company, exciting new venues, and revisiting our old favourites. That's what rallying is all about—enjoying shared adventures with friends old and new.

See you soon! 😊

Warm regards,
Diane Stokes x

Rally Start Time

Rallies are governed by The Caravan & Motorhome Club rules and can only commence when the designated stewards are in attendance. A list of stewards has to be given to The Caravan & Motorhome Club each year in the form of the rally book details, to comply with insurance requirements

Any member wishing to arrive at a rally before the official start time of 4pm must, in all cases, check with the stewards to ensure that the venue is open and that they are not turned away. In many cases stewards have to attend work prior to the rally and therefore must be given time to set up their rally and should not be pressurised. Their decision is binding. Your understanding and compliance is much appreciated.

Stewards are asked to indicate on the rally signing sheets any members who arrive on rallies earlier than the official/requested times. Sheets will be monitored by the treasurer.

Rally Deposit Refunds

If a member is unable to attend a rally where money has been paid in advance and would like a refund then they must contact the Secretary within 28 days of the rally.

PLEASE NOTE:

It is important that all rally stewards get in touch with land owners at least 4 weeks prior to the rally, to finalise details. We have had several instances over the past few years where rallies have not been in the landowner's diaries despite correct paperwork being held by the Centre. At the same time, please confirm the day/time that you as stewards would be allowed to arrive.

Defibrillator Guide

In Case of Emergency

Dial 999 and inform the call handler that there is a defibrillator available and follow the instructions provided by the emergency service call handler.

The Midland centre has a semi-automatic defibrillator with a first responder pack that is part of the weekend rally kit and is kept at the steward's van.

It is an easy to use, complete solution giving users of all abilities the confidence to act in the event of Sudden Cardiac Arrest. The defibrillator gives verbal instructions on how to use it and when it is safe to perform CPR and provide a charge.

The first responder pack includes: gloves, scissors, a razor blade, wipes and a face shield.

Rally Stewards are responsible for storing the defibrillator and making sure it is available to all ralliers.

The defibrillator must be stored in a dry, safe place such as inside caravan/motorhome or awning. (If a social event has been arranged then the defibrillator can be moved to the social to allow for easy access).

Anyone on the rally field can use the defibrillator as required. The rally steward is only required to make it available, not responsible for its operation.

No training is required to use the defibrillator as it is semi-automatic and gives verbal step by step instructions throughout. Follow the advice provided by the emergency services call handler.

The defibrillator is part of the rally kit and must be handed over when the kit is passed on.

In the event of the defibrillator or any other equipment associated with the defibrillator being used and/or damaged, please ensure that the chair is informed at the time or prior to passing the kit to the next rally.

Rules Governing Rallies

1. General

1.1. Weekend Rallies normally commence at 4.00 pm Friday. However, the Rally Steward has the discretion to open earlier on the Friday, please let members attending when you are opening the rally. Weekend and Bank holiday rallies are limited by the following rule.

1.2. Rallies up to 5 days: These rallies are organised under a Paragraph 6 exemption to the 1960 Act and must be completed within 120 hours from the first caravan arriving to the last caravan leaving the field. The Rally Steward, who will be involved in setting up in advance and clearing up afterwards, is able to arrive on-site one night earlier and depart one night later, thus extending the 120-hour limit: however, this privilege, which should be exercised sparingly, is for only one outfit occupied by the Rally Steward and any other persons travelling with the Rally Officer in their outfit.

1.3. Stewards may ask for proof of Caravan and Motorhome Club membership at any Rally. This can be physical card or digital card on the Club app/website. If staying overnight, guests must stay in their host members outfit.

1.4. The centre now has a lightweight feather flag which incorporates the CAMC flag and the centre flag. The Exemption certificate regulations and centre guidance require this to be displayed so that we can be identified.

1.5. Where we are rallying on un-licensed land and using CAMC Exemption Certificate the site must always be supervised. If the Stewards leave the site, they must ensure the Co-Stewards, or another member, takes responsibility for the site.

1.6. Should another rally be taking place on the same site as Midland Centre this is acceptable as long as the different clubs are clearly separated.

1.7. The rally book is now digital and can be downloaded from the website on to your iPad or tablet, or printed if you prefer.

1.8. If a Steward feels a member's behaviour or the behaviour of a member's children or pet is causing a nuisance, the Steward is permitted to ask a member to cease the behaviour or leave the site.

1.9. No Stewards to cancel a rally without a committee decision.

2. Booking, payment and arrival

2.1. For weekend rallies online or telephone bookings must be received by the Steward of the rally not later than the Monday before the rally, otherwise you will not be notified if a rally has been cancelled or the location changed.

2.2. Holiday Rallies or Special Events sometimes use a separate paper booking form because a deposit is required, there may be specific site information that needs to be communicated to the Ralliers and payment arrangements are usually different (eg. Site fees paid in advance).

2.3. On any limited rally, a £5 non-returnable deposit must be paid online, or your place cannot be reserved. Bank details will be provided.

2.4. Where rally fees are payable in advance, no refunds will be given if you cancel within 7 days prior to the rally and your place cannot be reallocated.

2.5. On arrival, you will be expected to pay any appropriate fees, including VAT, (unless otherwise stated) to the Stewards. Additional payments may be required, including VAT, if a social or other entertainment's have been organised.

2.6. Payment on weekend rallies is by card using the centre card machine on arrival. Cash may be accepted. Cheques are not accepted on weekend rallies. Payment for holiday rallies and special events is by bank transfer or cheque in advance.

2.7. Yellow signs with MCCC on will be displayed as prominently as possible on the approaches to the site. Directions given should be used in conjunction with a larger scale map and the rally book. DO NOT RELY SOLELY ON SAT NAVS.

2.8. All members, upon arriving on site, should report to the appointed Steward before pitching their unit. Any visitors should also report to the Stewards on arrival.

2.9. One pitch only may be reserved for a friend, providing it is not required by another member. Extra pitches can be reserved at the discretion of the Stewards. On some rallies where siting is difficult reserving of pitches may not be possible.

3. Safety on Site

3.1. All vehicles are restricted to WALKING PACE (Max 5mph) on site and learner/unlicensed drivers are not permitted.

3.2. Units, excluding guy ropes, must be 6 metres apart from adjacent units. This is to allow sufficient emergency access and to provide a fire break. Vehicles may be parked between units, provided that a 3-metre clear space is left within the 6-metre gap at all times.

3.3. Children's pup tents are classed as an integral part of a unit in the same way as an awning when they are occupied by children and when no appliance with a naked flame is used in or close to them. This means that a child's pup tent is not required to comply with the 6-metre rule and can be pitched close to the parents' unit. Only one pup tent is permitted per caravan, to be situated to the rear of the caravan provided this is not a vehicle access route.

3.4. Bearing in mind the danger of FIRE, the Committee consider it necessary for every van to be equipped with an approved type of FIRE EXTINGUISHER and simple FIRST AID KIT. ALL RALLIERS ARE REQUIRED TO PLACE A BUCKET OF WATER/FIRE EXTINGUISHER AT THE TOW BAR OF THEIR CARAVAN.

3.5. Open fires are not permitted on the rally field. Sky lanterns or similar are also not permitted. The use of gas cylinders to supply a caravan via an external barbecue supply point is not permitted.

3.6. Drones are not to be used on rallies without permission being obtained from CAMC.

4. Adverse Weather

4.1. Avoid undue damage to the entrance and site by unnecessary use of vehicles in bad weather. When a YELLOW BAND is attached to the Centre Flag, ALL vehicle movement ON or OFF the field is forbidden unless permission is given by the Stewards. When a RED BAND is attached to the Centre Flag absolutely no vehicle movement is allowed.

4.2. Anyone requesting a tow on the rally field does so on the understanding that in all cases the owner/driver of the towing vehicle does not accept any responsibility whatsoever for any damage however caused to the stranded vehicle or its owners or occupiers. Responsibility for damage will in all cases rest with the owner/ driver of the stranded vehicle.

5. General Behaviour

5.1. The good name of the Club, Centre and Caravanning will be better enhanced by the standards we maintain. Site vans tidily around the perimeter or in lanes, paying attention to the figure at the end of this document. Park your car on the blind side of the van and keep the area around your van clean and tidy. Pull forward a few yards on leaving and check to see you have left no litter behind.

5.2. Ralliers must ensure that they and their children do not cause damage to trees, fences, farm buildings, equipment, stock, cars and caravans, etc. Ralliers are responsible for the behaviour of their children and guests. Should damage be incurred then the full cost will be demanded from the parents or guardians. Please adhere to Out of Bound signs.

5.3. The riding of bicycles between the caravans and any sports or activities likely to cause a nuisance and or damage are NOT allowed. Ball games are permitted only with the agreement of the Stewards or Committee, on an open space well away from caravans.

5.4. Dogs and other pets must be kept under control at all times. No animal is allowed to be loose on the site and must always be on a lead not longer than two metres if outside a unit. Stakes should be located by the caravan axle(s) or equivalent location on a motorhome. (Not at the front of the outfit). Dogs are not allowed into organised social events or halls unless they are registered assistance dogs. Members must remove any droppings left by their pets.

5.5. Noise should be kept at a minimum from radios, televisions and other sources such as generators, and there should be no noise whatsoever between 11pm and 7am. The practice of flying flags and other items from poles or similar will only be permitted during daylight hours.

5.6. The use of generators will be restricted to 2 hours use between the hours of 10.00 am and 6.00 pm only, and not to be a nuisance to your neighbours. Stewards and or Committee excluded from above times where the use is for social purposes. Only fully silenced and smokeless units may be used.

5.7. The club considers the use of e-cigarettes (vaping) the same as cigarettes and as such, all legal requirements should be adhered to in their use during a club event.

6. Public Health

6.1. All units must have their own sanitation and toilet facilities, unless the Rally book states the site has its own facilities.

6.2. The contents of chemical toilets must not be disposed of on the site except into the disposal point identified by the appointed Steward. Toilets or their tanks must not be rinsed or filled at the rally drinking water supply.

6.3. Members attending a rally must take their refuse home with them if receptacles are not provided.

6.4. Please ensure you are aware of any current health advice regarding COVID related rules and restrictions.

7. Units and Spacing – Further Guidance

7.1. In August 2022 CAMC made two significant changes to the Centre Guidance.

7.2. From August 2022 CAMC has decided to allow tents on Centre Rallies. This is not something we have had to manage before, and it will be a learning curve.

7.3. The Committee will be checking with sites that they will accept tents on site and any sites that will not allow tents will be display in the Rally book.

7.4. If you have a tent booked onto your rally and have questions or concerns then please get in touch with the Chair, Secretary and / or Rally Secretary.

7.5. At the same time CAMC has looked at the rally diagram we currently use, supplied by Natural England. This is now considered outdated; we believe this was originally drawn in the mid 1980s.

7.6. The guidance on spacing will not be amended but the way we deal with continental units with the door on the offside will now be relaxed. These can now be sited either way around.

7.7. For simplicity the Committee recommend that we generally plan to stick to our current guidance which is to place all A frames / motorhome cabs facing in the same direction. But should site layout or rally attendees preference be to site a continental unit the other way around this will be fine.

7.8. Please remember, that should you have two units with their doors facing each other, the 3m between awnings or canopies is even more important.

7.9. Please note this guidance is for units with an offside door only and is not an excuse to site UK nearside door units the wrong way around.

7.10. The following page has the diagram which shows how all units should be pitched.
